

## Delivering For Our Communities - Our Budget 2023

We want to hear from anyone who may have views on our draft Newcastle Budget 2023-2024 proposals. In particular we would like to know:

<p>Which proposal does this relate to?</p>
<p>What consequences or impact do you think there might be as a result of this proposal?</p>
<p>What do you think could be done to reduce any negative consequences or impact of the proposal?</p>
<p>Do you think the proposal is fair and reasonable, given the reduced amount of money the council will have in the future?</p>
<p>Do you think that there are other ways the council could make the savings set out in this proposal? If so, how do you think the council should make the savings?</p>
<p>Please let us have any further comments you have on this proposal or any alternative ways in which you think the council could make savings or generate income.</p>
