Tell us what
Newcastle should
be like by **2045.**

newcastleplan.commonplace.is

What do you want Newcastle to be like in the future, and how can this be achieved?

Now is your chance to get involved in early conversations that will help us prepare the **Newcastle Plan**.

Like all councils, we need to create a *Local Plan* for our area that sets out how Newcastle will develop through to 2045. We want to give everyone the chance to have their say and find out what matters to our communities.

Tell us your thoughts on what you think Newcastle should be like in 2045 and how we can:

1. Make it a healthier city.
2. Make the city greener.
3. Make the city centre and neighbourhood centres more attractive places to shop and visit.
4. Improve employment opportunities.
5. Make it easier to move around.
6. Provide high-quality leisure, culture, and tourism facilities.
7. Provide homes and communities people want to live in.
8. Provide attractive and safe places to live, work, and visit.
9. Protect and improve the natural environment.

Visit our website for more information about in-person events and how you can get involved.
