# North East Devolution Consultation Dashboard - Newcastle

This report presents consultation data for Newcastle upon Tyne from the public consultation which ran from 26 January – 23 March 2023. Please note this is extracted from the region-wide consultation which asked questions about the wider North East arrangements set out in the scheme, rather than Newcastle-specific questions, and therefore should be treated as such. It also does not show the level of institutional support that was received as part of the consultation, which is summarised in the full consultation report.
